St. Philip Catholic Church

St. Philip Catholic Church was established in November of 1871. In October of 1971 the parishioners of St. Philip celebrated the 100th anniversary of the Church which had been built with the bare hands of the members.

As part of the Century Celebration, a large bronze plaque was ordered and mounted on the wall of the old church. Shortly after the event the plaque was removed and since that time has disappeared. The plaque listed all families who were members 50 years or more, those over 25 years, over 10 years, over 5 years, etc.

We would appreciate any help in locating this plaque. If you can help, please call the St. Philip Parish Office, 794-8588, ext 29. Thank you!
